

## Student requirements for acceptance into the Class A CDL course:

- Be at least 18 years of age, 21 years of age to drive across state borders
- Possess a valid, active driver's license for at least one year
- Pass a US Department of Transportation approved physical examination
- Produce a negative drug screen during the first week of training
- Read, speak and write English well enough to pass license test and perform the job
- Non-Indiana residents must present an active Class A CDL permit to enroll

The CDL Class A licensing exam will be scheduled at the nearest Indiana DOT testing site after the last day of class depending upon scheduling availability. Students will travel there with the instructor and test in the school's truck.
